

PALMERSTON MAGPIES JUNIOR CLUB - FICTIONAL INCIDENT AND OPERATIONS REGISTER

Season 2024; source register leaf 1 of 9; controlled extract printed 29 September 2026.

Entries retained in chronological order; child names replaced by non-identifying descriptions.

Venue: SYN-Club-Ground; duty head coach Tessa Wren; routine equipment helper roster included Callum James Hartigan.

Fields: event date | invalid entry reference | type | account and action | recorder.

02 Mar 2024 | SYN-2024-001 | first aid | A player rolled an ankle during warm-up; head coach stopped the drill, applied a cold pack and notified the collecting parent. Action: parent notified; resting, then collected. TW.

05 Mar 2024 | SYN-2024-002 | equipment | One trolley wheel loosened during setup; equipment volunteer isolated the trolley and shifted bib bags by hand before children entered the drill area. Action: maintenance request entered; no injury. TW.

09 Mar 2024 | SYN-2024-003 | collection | A parent telephoned about late collection; the child remained with the head coach and another authorised adult until the nominated adult arrived. Action: collection sheet updated; identity checked. TW.

12 Mar 2024 | SYN-2024-004 | weather | Rainwater pooled beside the sideline; head coach moved the drill to the marked dry area and shortened the running exercise for the group. Action: area marked; session continued safely. TW.

14 Mar 2024 | SYN-2024-005 | lost property | An unnamed drink bottle remained after training; volunteer placed it in the labelled crate and sent the standard reminder through the parent channel. Action: crate updated; no private child contact. TW.

16 Mar 2024 | SYN-2024-006 | attendance | Two attendance slips used shortened given names; administration compared the parent registration sheet and corrected the team list before the next session. Action: roster corrected; no duplicate participant. TW.

21 Mar 2024 | SYN-2024-007 | grounds | A sprinkler cover stood above the grass near the cone line; volunteer marked it and the head coach kept the group outside that lane. Action: grounds note sent; hazard marked. TW.

23 Mar 2024 | SYN-2024-008 | first aid | A player reported a blister after new boots; head coach offered a dressing and asked the parent to check fit before the next training day. Action: minor care recorded; parent advised. TW.

Leaf review: secretary checked actions against the maintenance sheet. Routine operations remain beside minor injuries in the register order. Private contact details are withheld. This is a record of reported events, not continuous observation of every conversation.

PALMERSTON MAGPIES JUNIOR CLUB - FICTIONAL INCIDENT AND OPERATIONS REGISTER

Season 2024; source register leaf 2 of 9; controlled extract printed 29 September 2026.

Entries retained in chronological order; child names replaced by non-identifying descriptions.

Venue: SYN-Club-Ground; duty head coach Tessa Wren; routine equipment helper roster included Callum James Hartigan.

Fields: event date | invalid entry reference | type | account and action | recorder.

26 Mar 2024 | SYN-2024-009 | fixture admin | The visiting team brought a different colour bib set; both coaches agreed a replacement colour and the game began after a short equipment delay. Action: colours changed; fixture completed. TW.

28 Mar 2024 | SYN-2024-010 | stock | The spare pump connector was missing from its box; equipment volunteer used the second pump and wrote a replacement request on the stock sheet. Action: replacement ordered; no cancelled drill. TW.

02 Apr 2024 | SYN-2024-011 | water break | Several players forgot bottles; head coach used the shared refill point with cups and reminded parents to send labelled bottles at the next session. Action: hydration break extended; parents reminded. TW.

04 Apr 2024 | SYN-2024-012 | first aid | Two players collided while chasing a loose ball; the coach stopped play, checked both children and spoke with their parents at collection. Action: both rested; no further treatment reported. TW.

06 Apr 2024 | SYN-2024-013 | uniform | A player arrived with an oversized borrowed jersey; volunteer found a smaller spare and returned the borrowed item to the parent after the game. Action: loan register completed; item returned. TW.

09 Apr 2024 | SYN-2024-014 | boundary | A ball crossed the marked training boundary; head coach paused the group while an authorised adult retrieved it from the empty outer area. Action: group remained together; drill restarted. TW.

13 Apr 2024 | SYN-2024-015 | parent query | A parent asked about a different team allocation; equipment volunteer referred the question to the head coach rather than change the attendance list. Action: coach discussion arranged; roster unchanged. TW.

16 Apr 2024 | SYN-2024-016 | cleaning | A split sports drink bottle left sticky liquid near the entrance; volunteer cleaned the patch and placed a cone while the surface dried. Action: entry cleared; no slip reported. TW.

Leaf review: secretary checked actions against the maintenance sheet. Routine operations remain beside minor injuries in the register order. Private contact details are withheld. This is a record of reported events, not continuous observation of every conversation.

PALMERSTON MAGPIES JUNIOR CLUB - FICTIONAL INCIDENT AND OPERATIONS REGISTER

Season 2024; source register leaf 3 of 9; controlled extract printed 29 September 2026.

Entries retained in chronological order; child names replaced by non-identifying descriptions.

Venue: SYN-Club-Ground; duty head coach Tessa Wren; routine equipment helper roster included Callum James Hartigan.

Fields: event date | invalid entry reference | type | account and action | recorder.

18 Apr 2024 | SYN-2024-017 | keys | The equipment key tag was difficult to read; secretary replaced the worn label and checked the spare key against the lock after children departed. Action: key register corrected; lock unchanged. TW.

23 Apr 2024 | SYN-2024-018 | weather | Heat remained high at the start of training; head coach reduced running blocks, added water stops and ended the session ten minutes earlier. Action: parents advised; no illness reported. TW.

25 Apr 2024 | SYN-2024-019 | score sheet | One score sheet missed the fixture date; secretary compared the ground booking and wrote the date beside the coach initials before filing it. Action: file completed; no result dispute. TW.

27 Apr 2024 | SYN-2024-020 | noticeboard | The fixture notice blew loose from the board; volunteer fixed the corners and administration resent the same information through the ordinary parent channel. Action: notice replaced; no schedule change. TW.

30 Apr 2024 | SYN-2024-021 | first aid | A child grazed a knee on the dry grass; head coach cleaned the graze, applied a dressing and completed the minor treatment field. Action: parent told; child chose to rest. TW.

04 May 2024 | SYN-2024-022 | venue change | Ground maintenance required a training-area change; head coach confirmed the new meeting point and administration checked every parent message had been sent. Action: booking updated; group met supervisor. TW.

07 May 2024 | SYN-2024-023 | spectator | A spectator stood inside the marked cone boundary; head coach asked the person to move behind the line and the request was followed. Action: boundary restored; no argument recorded. TW.

09 May 2024 | SYN-2024-024 | equipment | One ball had a slow valve leak; equipment volunteer marked it for repair and substituted a spare before the passing drill was started. Action: ball isolated; inventory row updated. TW.

Leaf review: secretary checked actions against the maintenance sheet. Routine operations remain beside minor injuries in the register order. Private contact details are withheld. This is a record of reported events, not continuous observation of every conversation.
